## SELECTION AND RECRUITMENT

IMIBIC's recruitment and selection policy is Open, Transparent and Merit-based (OTM-R), ensuring the recruitment of the most suited person for the job offered, guaranteeing equal opportunities and access for all, making the research career more attractive. We consider that these principles facilitate international mobility of researchers, knowledge sharing, and ultimately, increase quality of research.

The person responsible for this recruitment declares that the person to be hired will not have any employment relationship with the SSPA nor will he/she carry out any healthcare work.

The Maimonides Biomedical Research Institute of Cordoba (IMIBIC) has adhered to the Human Resources Strategy for Researchers (HRS4R) of the European Commission, based on the European Charter for Researchers and a Code of Conduct for the Recruitment of Researchers (Charter & Code). The HRS4R initiative helps research institutions in the implementation of HR policies that contribute to a transparent, attractive, and open labour market for researchers, allowing for the development of their scientific work in a stimulating and favourable environment.

The Open, Transparent and Merit-Based Recruitment is one of the pillars of the Charter & Code. The objective of OTM-R is to guarantee the recruitment of the best candidate for the job offered, benefiting both the researchers and the institutions. In particular, OTM-R enables attractive research careers, guarantee equal opportunities for candidates, and facilitates mobility. Overall, it contributes to maximise the return of the investment in research activities.
